Dear Sir or Madam:

On November 29, 2000, we sent you an EPA Notification of Hazardous Waste Activity form for our facility located in Yonkers on Ridge Hill. The purpose of that change was to change the name of the company, the principal contact, and the name of the owner. That notification contained an incorrect EPAID Number. The incorrect number cited was MAD001015650.

**The correct EPAID Number is NYD050288349.**

Attached is a corrected submission.

If you have any questions, please call me at 603-885-3095.

Sincerely,

Geoffrey Brown
